What to expect at your USCIS 2nd visit:

1. AFC team will confirm Lab and Vaccine documentation..
 - a. If any vaccines were received since 1st visit, records will be added to USCIS packet.
 - b. If still needing additional vaccines- these will be administered and documented at the start of the visit.
2. You will meet with the Civil Surgeon who will review the lab results, vaccines and finalize your USCIS Packet.
3. You (the applicant) will complete final review of packet before sealing.
4. Patient will leave clinic with 1 sealed USCIS packet and 1 copy for personal record.
Do NOT attempt to open the sealed packet.
5. For any reason if the sealed packet is opened or if you need another packet, a rework fee of \$100 will be charged.

What was done “today” at your USCIS 1st visit:

1. Applicant’s portion of the I-693 form was completed by you.
(Electronically on Medfiller)
2. Review of your vaccination records
 - a. Any vaccines that are still required will be listed on “What to Bring” section of this pamphlet.
3. Age appropriate labs were drawn
 - a. Tuberculosis for all ages.
 - b. Syphilis for ages ranging from 18-44.
 - c. Gonorrhea for ages ranging from 18-24.
4. Some lab results will require follow up testing/treatment
 - a. Clinic staff will call to coordinate that care
5. Your second USCIS visit is booked
