

Welcome to Primary Care at AFC Urgent Care,

We are happy you have joined our primary care practice and thank you for choosing our physicians to participate in your health care needs. We look forward to building a cohesive, comprehensive health care relationship that is beneficial to your overall wellness. As a primary care patient we would like to give you an idea of how we can work together to facilitate appointments, refills and any other continuity of care needs that may arise.

AFC Urgent care is open 7 days a week, our office hours are Monday through Friday 8:00am - 8:00pm, Saturday and Sunday from 9:00am - 6:00pm. As a Primary Care and Urgent Care clinic, we ask that all primary care patients call to schedule their appointments. This ensures all patients receive the time they require for quality medical care and that they can be seen by their primary care physician. We do ask that all primary care appointments be scheduled at least one hour prior to closing. In the event an urgent care need arises, please call us for a same day appointment.

Our primary care phone line is 971-233-0424. Please use this line for non-emergent messages: referral requests, updating your pharmacy, appointments, cancellations, or questions/information for your provider. If you prefer, you can email us at primarycare@afcurgentcareportland.com. You can also schedule all appointments online at our website www.afcurgentcareportland.com. If you need to speak to someone for a more urgent matter please use our main number (503) 305-6262.

When you need a prescription refill contact your pharmacy and they will contact us. Please understand you will need to allow 24-48 hours to process your request. We also ask that you contact your previous physicians and request that a copy of your medical records be sent to us.

Thank you for choosing AFC Urgent Care as your primary care provider. We look forward to working with you.
